I have received the photos, I believe AAJDQDZ0 should be made larger, please see the design this is going on the chapter opener page. Do you want to size it in paging and send pages to me to review.

Thanks
Cindy

Hello.

The Course Smart files should be posted to the necessary ftp site by Chennai. Please post the Course Smart files the required ftp site per your information. Please let me know when this process is complete so I can let the publisher know.

Thanks so much!!
